(Raj)(2021)
BSER Percentage -97.80/100

Secondary School

A.V.S Secondary School,
Bagidora,Banswara(Raj) (2019)
BSER Percentage -92.17/100

WORK EXPERIENCE

CodSoft : July 2023–August 2023

The internship is in domain of C++ programming language. It was an great experience to work their. I have learnt various new concepts during the internship.

BharatIntern: August 2023–September 2023

The internship is based on “Full Stack Web Development”. I have made various projects during this internship.

SKILLS

C++ Java DSA SQL Node.js React.js
JavaScript MongoDB Express.js

CERTIFICATION

Data Structures & Algorithms - Internshala
Mar 2022 - Apr 2022

PROJECTS

1.Wanderlust:

I have used technologies like HTML, CSS, JavaScript, Node.js, Express and MongoDB. The website shows different listings of places and also allows user to add listings on the website once user login to website.

2. Simon Game:

I have HTML, CSS and JavaScript to built it. It's a creates a series of lights and the player must reapeat the sequence.if user clicks different light then it stops and gives user score.

3. Mini-Messenger:

This project is about sending and receiving messages. User can send messages and I have used MongoDB to stores data. User can send send messages to multiple users.

4. Portfolio Website:

Using HTML, CSS. Basically it briefly gives an introduction about my skills, services that I can provide to others and information of my social media accounts.
